Listed below are the sizes of the commercial business garbage bins being provided by TriWays Disposal Services Ltd., the service frequency, and the monthly prices that will be charged to the business on their Town of Elrose utility invoices. This cost includes continued access to the 30 yard Recycle bins located at the end of Main Street.

3 Cubic yard container - 6ft across the front x 3.5ft deep x 4ft loading height – holds about 25 bags

Service Frequency and Price:

- Service once every 4 weeks - 13 empties per year – \$46.00 per month
- Service once every two weeks - 26 empties per year - \$72.00 per month

4 cubic yard container - 6ft across the front x 4ft deep x 4 ft loading height- holds about 30 bags

Service Frequency and Price:

- Service once every 4 weeks - 13 empties per year - \$58.00 per month
- Service once every two weeks - 26 empties per year - \$92.00 per month

6 cubic yard container - 6ft across the front x 5.5ft deep x 5ft to a loading height - holds about 40 bags.

Service Frequency and Price:

- Service once every 4 weeks - 13 empties per year - \$85.00 per month
- Service once every two weeks - 26 empties per year - \$134.00.00. per month

(3 and 4 yard)

(6 yard)

If the commercial businesses have the bins delivered as a group, then the 3 and 4 yard bins will only cost \$40.00 each for delivery and the 6 yard bins will only cost \$65.00 each for delivery. These costs will be charged to the business receiving the bin(s).

3 yard, 4 yard, and 6 yard bins that are delivered after the initial “group” delivery will cost \$120.00 each to be delivered. Delivery charges will be billed to the business.
