### Town of Elrose/R.M. of Monet Recycle Bins

You have likely noticed that there are small Triways recycle bins beside our large bins (by the Fire Hall). We are in the process of signing a new recycle contract and will be looking for input from the public as to which type of bin they prefer, before we sign with Triways Disposal Services. Currently the small bins are locked but once one of the large bins is filled and removed they will be put into place and open for public use. If we go with the small bins they will be scheduled to be emptied every two weeks, large bins would be emptied monthly.
