

# Town of Elrose June 2026 Newsletter

## PET REMINDER

As the weather gets warmer we are seeing more pets out enjoying the community. Please remember that dogs and cats must remain on their owners property, be on a leash, or be securely contained when outside. This helps keeps pets and residents safe. Pet licences are available through the Town Office. Thank you for helping keep Elrose a safe and friendly place for everyone.

## Help Keep Recycling Available

Thank you to everyone who uses the community recycling bins. Please remember to flatten cardboard boxes before placing them in the bin to maximize space.

To help keep recycling costs down, household garbage should not be placed in the recycling containers. Your cooperation keeps this service available to everyone

## Keep Elrose Looking Great

Thank you to residents who take pride in maintaining their properties. Keeping lawns mowed and yards tidy helps make our community attractive and enjoyable for everyone.

Keeping lawns mowed, and yards maintained helps make Elrose look its best. Please ensure that overgrown branches are trimmed over the sidewalks and alleys throughout the summer season. If you have any questions about property maintenance requirements, contact the Town office and we will be happy to help. Starting in June, letters will be mailed out to residents who have nuisance yards. (Bylaw No. 2018-4, 6.)

## BINGO at the Elrose Museum Wednesday Nights

-doors open at 6:30 pm  
-games start at 7:00 pm

Kid's BINGO  
Friday, June 19th
