Therefore, the Town of Elrose will be required to seek the same approval from the Saskatchewan Municipal Board. If approved, the increase will come into effect on your Town of Elrose June utility bill. Detailed explanation of the new rates will be enclosed with your bill.

June is Recreation and Parks Month

The Town of Elrose, in recognition of the benefits and values that recreation, parks and leisure services provide (in conjunction with many other communities) does hereby designate the month of June as "June is Recreation and Parks Month".

We would like to recognize the countless volunteers and professionals that play a role in delivering many programs and activities to our community.

Recreation has many benefits; from enhancing quality of life, social interaction and lifelong learning to developing creativity, skills, positive lifestyles, building family unity and creating community pride.

Get outdoors and have some fun!!
