Wildlife in Town

We recognize there are concerns regarding the deer in Town. In conversations with the authorities we have been told that there is not much we can do to keep them out of Town, deer are not to be harmed in any way or even chased. The only solutions presented were loud noises or fencing to deter them, having said that we want to remind residents that firearms are not to be discharged within Town limits.

Conservations Officers will only come and deal with injured or dangerous animals.

In addition, we also want to remind all residents to please not feed any wildlife, this not only will continue to attack them but can be detrimental to their health.

Speeding within Town

We want to remind everyone that the speed limit within Town is 30km. Due to an increased amount of complaints regarding speeding, Council has request more monitoring of this situation.

Just a reminder:

- **Business Licenses are Due for 2021** -Business Licenses must be renewed annually as per Bylaw #247-1996 which states that “No persons shall carry on any business, trade or calling within the municipality unless they have in their possession a valid and subsisting license.” This also includes all home based businesses.
