**** NEW - Triways Waste and Recycle Cart Pick Up – April to October**

Going forward, each year from APRIL TO OCTOBER we will be changing to ONE SIDE pick up, please see enclosed map showing the route that Triways Disposal Services will be taking.

We are asking that everyone place their waste and recycle carts on the **RIGHT HAND** side of the street for pick up and place carts 10 feet from center of the street.

This type of pick up will minimize the amount of passes the Triways truck makes on our streets, therefore, reducing the damage to them.

During this period there will be no pick up on 1st & 2nd Street West or 1st & 2nd Street East, if you are currently placing your carts on these streets please move them to the Avenue (or closest place on route) for pick up. **Main Street Alley pick up will remain the same.** Thank you for your cooperation.
