November 2021

Council Corner

A few items Council has been working on over the past few months:

1. The Town was able to recycle some of the concrete that came out of the Uniplex. After crushing it, it was used as riprap for our lagoon berm.
2. Each year we place \$10,000 in a fire truck reserve fund.

Thank you to everyone that came out and helped at the **Lil Mills Garden** on October 3rd. We had a great turnout and very much appreciate everyone for taking time out of their weekend.
